

ENISYL-F

Active Constituents:

250mg of L-Lysine HCl, purified water, sorbitol, cod liver oil, xanthan gum, tuna flavour, soya lecithin, silica aerogel, caramel colour, potassium sorbate, sodium benzoate.

Indications:

A palatable fish tasting paste of high strength L-Lysine.

Directions for Use:

Administer twice daily. Can be applied directly into the mouth or on the nose or paw where it can be licked off. Alternatively, Enisyl-F paste can be added to the cat's food to aid compliance.

Dosage and Administration:

Adult Cats – 1 to 2 mls twice a day or as recommended by your Veterinarian. 1 pump = 1 ml.

Presentation:

100ml Oral Paste Multidose Pump.

Caution:

Enisyl-F has an excellent safety profile. Lysine is an essential amino acid.

Storage:

Store in a cool place.

This product is exempt from registration being an oral nutritional compound compliant with Schedule 4 of the ACVM regulations 2001.
