

## NITTO TAPE

### *All-purpose plastic tape*

Nitto have been manufacturing tape since the 1930's.

They appreciate the importance of quality and that compatibility between the plastic vinyl and the rubber based adhesive is crucial.

Each batch of Nitto tape is thoroughly tested for elongation, strength, adhesion, etc. to ensure only the best quality product is sold.

The product has a broad spectrum of uses and has particular application in the equine industry.

Nitto plastic tape is available in six colours (assorted) in display outers of 20 rolls.
